

## **Veritas Parent Service Organization Board Application**

This is an excellent opportunity to get involved in your student's education here at Veritas! The VPSO is an independent school organization comprised of parents, teachers, and administrators who volunteer their time for the purpose of enhancing the educational environment of students.

Our organization's primary activities include providing support to our teachers and administrators so they may provide the highest quality educational services to our students. Our volunteers help raise funds and give their time to support extracurricular programs, provide needed equipment or host a fun event for students and staff.

### **Time Commitment:**

We are often asked about the time commitment to serve on the Board. The time commitment can vary depending on the time of year or upcoming events; however, the time commitment is generally as follows:

- Executive Board meetings are once a month; usually the second or third Wednesday at 6:00 p.m.
- General Board meetings are held once a month; usually the next to last or last Friday at 7:40 a.m.
- To ensure continuity, a Board position is for two (2) years; June-June.
